

Dr. Guo Huadong, Regional Vice-secretary of the Chinese Academy of Sciences, visits JRO

Dr. Guo Huadong, Regional Vice-secretary of the Academy of Sciences of the People's Republic of China, visited the Jicamarca Radio Observatory (JRO), on February 14th, 2006.

During his visit, Dr. Guo appreciated different research works, development and innovation that are being taking place at the JRO. Dr. Guo was accompanied by Dr. Ronald Woodman, Executive President of the Geophysical Institute of Peru, Eng. Alberto Giesecke, President of the National Academy of Sciences, Dr. Jorge Chau, General Director of the JRO, and Dr. Benjamín Marticorena, President of the National Science and Technology Board (*Consejo Nacional de Ciencia y Tecnología* - CONCYTEC).

Dr. Guo was in Lima to attend meetings on science and technology that were organized by the National University of Engineering and CONCYTEC.
